There you will find all reference numbers and further information.

powertrain-germany GmbH

Transmission Systems

Your competent partner for drive technology

We have been active for 20 years in the overhaul and the refit of automatic and manual gearboxes.

Our speciality is the overhaul of automatic and manual gearboxes for utility vehicles. We are able to repair gearboxes of Voith, ZF, Eaton, Mercedes and many other manufacturers professionally, or to supply with replacements.

The quality of the overhauled or repaired gearboxes is secured and revealed through a unique test bench.

Our workshop in Budenheim
